Dear Parent / Carer

As from the start of Term 5, Monday 16 April 2012, please be aware that students will not be allowed on site before 08:20am.

This is for safety reasons regarding supervision. Can I also remind all that students must be registered in an after-school club by 15:30pm or have left site. Students should not leave site and then return to school later after school has ended at 15:10pm.

Students should also not come on site during holidays or insets unless directly instructed to by a member of staff. If a revision session has been arranged for holidays then the student must arrive promptly and bring packed lunches and drinks with them if required. Students will not be allowed to leave site until the end of their revision session.

Thank you.
