Dear Parent/Carer

Parent governor vacancy

We have a vacancy for a parent governor. The governing body is responsible for both the conduct of the school and for promoting high standards. The governing body carries out its role by setting the vision for the school and then ensuring that the school works efficiently and effectively towards achieving its vision. Governors do not need to be experts in the field of education. What they do need is an interest in the school and in the welfare of our children and the time and willingness to get involved.

Our governing body expects governors to:

- attend 9 meetings of the full governing body and committees across the year
- visit the school formally at least once a year
- commit to attend training courses as required.

In return, our governing body commits to:

- provide you with a structured induction
- provide access to quality training
- provide you with an experienced governor as mentor
- provide informal feedback on your contribution to the governing body.

If you would like to find out more about how you can contribute to governance at our school, please email me with your contact details and I will pass on your details to the chair who will then arrange a time for a conversation.

Yours sincerely

Leo Gilbert
Interim Headteacher
